

Remarks

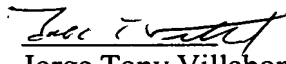

The Title has been added to the specification in order to conform to the Title of the published application (WO2005/069219);, in order to meet with the requirements of the United States Patent and Trademark Office.

The specification has been amended to include a reference to the priority applications.

Claims 1-9 are currently amended to remove multiple dependencies and reference indicia; in view of the international search report cited prior art and the claims annexed to the International Preliminary Report on Patentability, in order to meet the requirements of the United States Patent and Trademark Office.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832.

Respectfully submitted,
Jürgen Stauder
